

Perry Farrel, Go all the way Into the Twilight

Everyday, everyday, everyday, everyday, everyday, we're going all the way, we're going all the way
Everyday, everyday, everyday, we're going all the way
Everyday, everyday, everyday, we're going all the way
Tonight! Lightning strikes!
Let's go into Twilight!
First time I saw you (when we first met)
I had the fever (as bad as it gets)
You let me see (much in my eyes)
It was so smooth, sparkle and shine
And it shined
La la la la lalalala la la la la la
Tonight! Lightning strikes!
Let's go into Twilight!
You asked me out on many dates
And took me to exotic places
You saw the look upon your face
You men must reall love the chases
I'm going to let you have it like you've never had before
So take me
take me
take me...
Tonight! Lightning Strikes!
Let's go into Twilight!
You are away with me, no other way (x7)
Everyday, everyday, everyday, everyday, we're going all the way!
