

# Perry Farrell, Happy Birthday Jubilee (Reprise)

We're coming from far and wide  
We're singing a song to you  
Gather us together  
For cake and candle light  
The red heifer is here  
And cousins of twelve tribes  
Count up all our faces  
Divide up the cake in pieces

We've all come here to see  
Happy birthday Jubilee

It's your bith, It's your birthday party  
It's your birthday, It's your birthday party  
It's your bith, It's your birthday party

Now this is how it is  
This is how we &quot;B&quot;  
This is how we all  
Gather around the queen  
Buzzing in the hive wagging from the tree  
Promised with the milk  
Is the honey  
Miss us when we go  
So goes the pollen  
So goes the fruit  
And no more flowers  
&quot;B&quot; is the bet  
&quot;B's&quot; make houses  
Busy, busy &quot;B's&quot;  
And &quot;B&quot;-day announcements

It's your brith, It's your birthday party  
Your birth, It's your birthday party  
Your birthday, party  
Your birthday, party  
Your birthday, party  
Your birthday, party  
Your birth, your birthday, party  
It's your brith, your birthday party  
It's your brithday, It's your birthday party  
It's your brith, your birthday party
