

# Pesho, Free (feat. KC Nwokoye)

Set me free /2x  
And let me fly  
Give me wings /2x  
I want to fly

Freedom /2x  
Like an evil strange  
As I'm screaming names  
Yeah  
I want, I want to fly  
Fly away

Do it, do it  
Do it what you wish  
Always make it rain  
You've got to feel the fear  
You've got to feel the threat

Set me free /2x  
And let me fly  
Give me wings /2x  
I want to fly

Set me free  
And let me fly  
Give me wings  
Give me wings  
I want to fly

Feel it  
In my magic time  
I can make it fly  
So high  
Into the glad,  
There be no doubt

It's too bad  
Let me be your man  
Freedom is a dare  
We all want to seal

So set me free  
Set me free /2x  
And let me fly  
Give me wings /2x  
I want to fly

Freedom is my kingdom  
Freedom made me king  
Freedom set me free  
/x2

Set me free /2x  
And let me fly  
Give me wings /2x  
I want to fly

Freedom is my kingdom  
Freedom made me king  
Freedom set me free
