Pestilence, Cycle Of Existence

Mutual aversion and disgust, religious facts Fighting for the land on which they live Separation of different races, different nations Disparity, no solidarity Deuce of a mess, impeachment of faith Preachings, reconciliations insincere Needless battles, die for the immortal one Loyalty persuades, you'll persevere Followers of false belief praise idolatry Worship statues made of stone the adoration Despiction of the gods in human shapes Inhuman rituals, biblical transgression A weapon in your right-hand, in your left a rosary The polytheistic-monotheistic war Believers of Almight prepare to die Explain to me, what are you fighting for? Shrouds of smoke, moonsoonclouds in the sky Temples and crucifix' on fire Malevolent rage in distressed areas Admission of true faith is their desire Riots and slaughter, mortification of the dead Victimize the ones you despise Breathing smother of pyromaniac conflagrations Obstructed respiration, affected eyes Commandments Clerical orders Combative perjurors Convinced in their right Commandments Eternal tenacity Abusing obedience Unreal motive to kill!
