Pet Shop Boys, Break 4 Love

Break... for love Break... for love

Break For love

Baby don't you worry

I want to be the man that you want me to be

There's no need to worry

I'm gonna give you love the way want it to be

I'll be there every morning baby

To hold you tight And that's why baby

You don't have to wonder why

Why I love you

I need you

Got to ha-have you

I need you, oh

Right now

Break... for love

Break

For love

I'll be there every night

To hold you and kiss till the morning light

I'll be there every morning baby

To hold you tight

And that's why baby

You don't have to wonder why

Why I love you

I nee-eed you

Gotta gotta have you

I need you right now

Give
