Pet Shop Boys, I Want To Wake Up (Breakdown

(Tennant/Lowe)

I heard what you said, and I can tell you it's true I heard you've said that I am crazy about you Turn in my sleep, the bad dream is over Think of you and shall I ever recover?

Now, I want to wake up How I want to wake up

I stood at the kitchen-sink, my radio played

Songs like & Distance amp; amp; quot; Tainted Love & Distance amp; amp; quot; Love Is Strange & As I listened and the words hit my ears I cried sudden tears

Now, I want to wake up How I want to wake up Wake up (Wake up, wake up, wake up, wake up wake up, wake up, wake up)

(It's mad, it's mad, it's mad)
It's mad, to be in love with someone else
When you're in love with him, she's in love with me
But you know as well as I do
I can never think of anyone but you

(All my life, all my life I want to wake up)

Play with fire, play with guns It's easy to impress someone Turning in my sleep, you call me a fool To fall in love, is it so uncool?

Now, I want to wake up How I want to wake up Now, I want to wake up Wake up

(Wake up, wake up
