Pet Shop Boys, I Wouldn't Normally Do This Kind

Ask me why I'll say it's most unusual How can I even try to explain why today I feel like dancing singing like lovers sing when I wouldn't normally do this kind of thing? I wouldn't normally do this kind of thing

Ask me when I'll say it started when I met you and ever since then I knew that the past couldn't last For right now I think I'm running a race I know I'm gonna win and I wouldn't normally do this kind of thing I wouldn't normally do this kind of thing

If people say I'm crazy I tell them that it's true Let them watch with amazement say it won't last beyond breakfast it's a phase he's going through denigrate or speculate on what I'm going through because it isn't the sort of thing I'd normally do

Ask me what I'll say I think it's good for you Believe it or not I know where it's all leading to I feel like taking all my clothes off dancing to The Rite of Spring and I wouldn't normally do this kind of thing I wouldn't normally do this kind of thing I wouldn't normally do this kind of this kind of thing
