Pet Shop Boys, It Doesn't Often Snow At Christm

Christmas is not all it's cracked up to be Families fighting around a plastic tree Nothing on the TV that you'd want to see And it's hardly ever snowing The way it's meant to be Like in White Christmas year after year Bing Crosby, Bring Crosby Are you listening to me?

It doesn't often snow at Christmas The way it's meant to do But I'll still have a glow at Christmas Because I'll be with you

The Christmas message was long ago lost Now it's all about shopping and how much things cost It's meant to be goodwill as well as synthetic fun And what this is this year's festive number one

It doesn't often snow at Christmas The way it's meant to do But I'll still have a glow at Christmas Because I'll be with you

Neil: Merry Christmas

Chris: And a happy new year
