

# Pet Shop Boys, Love etc.

You need more  
You need more  
You need more  
You need more  
You need more  
You need more  
You need more  
You need more  
You need more

Boy it's tough getting on in the world  
When the sun doesn't shine and a boy needs a girl  
It's about getting out of a rut, you need luck  
But you're stuck and you don't know how, oh

(Don't have to be) A big bucks Hollywood star  
(Don't have to drive) A super car to get far  
(Don't have to live) A life of power and wealth  
(Don't have to be) Beautiful but it helps  
(Don't have to buy) A house in Beverly Hills  
(Don't have to have) Your daddy paying the bills  
(Don't have to live) A life of power and wealth  
(Don't have to be) Beautiful but it helps

You need more  
Than a big blank check to be a lover or  
A Gulfstream jet to fly you door to door  
Somewhere chic on another shore

You need more  
You need more  
You need more  
You need more  
You need more  
You need more  
You need a love

You need a love

You need a love

Too much of anything  
Is never enough  
Too much of everything  
Is never enough

Boy it's tough getting on in the world  
When the sun doesn't shine and a boy needs a girl  
It's about getting out of a rut, you need luck  
But you're stuck and you don't know how, oh

(Don't have to be) A big bucks Hollywood star  
(Don't have to drive) A super car to get far  
(Don't have to wear) A smile much colder than ice  
(Don't have to be) Beautiful but it's nice

You need more  
Than the Gerhard Richter hangin' on your wall  
A chauffeur-driven limousine on call  
To drive your wife and lover to a white tie ball

You need more  
You need more  
You need more

You need more  
You need more  
You need more  
You need a love

I believe that we can achieve  
The love that we need  
I believe, call me naïve  
Love is for free

(Don't have to be) A big bucks Hollywood star  
(Don't have to drive) A super car to get far  
(Don't have to live) A life of power and wealth  
(Don't have to be) Beautiful but it helps  
Beautiful but it helps  
Beautiful but it helps
