

# Pet Shop Boys, One More Chance

The city is quiet, too cold to walk alone  
Strangers in overcoats hurry on home  
Tonight I've been walking in the rain  
Someone's been talking and I've got the blame

Chained, framed, you know what I mean  
Push me in a corner and I'll scream  
Just give me one more, one more chance  
One more, one more chance

I will find out wherever you are  
Drinking in another club or driving in your car  
Walking through empty streets  
Stupid fool, that was yours for keeps

Chained, framed, you know what I mean  
Push me in a corner and I'll scream  
One more, one more chance  
Give me one more, one more chance  
Give me one more, one more chance  
Give me one more chance, one more chance tonight

The city is quiet, too cold to walk alone  
Strangers in overcoats hurry on home  
Tonight I've been walking in the rain  
Someone's been talking and I've got the blame

Chained, framed, you know what I mean  
Push me in a corner and I'll scream  
Just give me one more, one more chance  
Give me one more, one more chance  
Give me one more, one more chance  
Give me one more chance, one more chance tonight

You're so extreme  
I want to take you home with me  
Come on, tell me one more time  
I don't mind, baby, I don't mind  
I don't mind

Just give me one more ...

Push me in the corner and I'll scream ...

One more, one more chance  
Give me one more, one more chance  
Give me one more, one more chance  
Give me one more chance, one more chance  
Just give me one more  
One more  
One more, one more chance  
Give me one more chance, one more chance to-...

I don't mind ...
