## Pet Shop Boys, That's My Impression

I went looking for someone I couldn't find staring at faces by the Serpentine Walking slowly I realised you'd been and gone, I know you lied

That's my impression That's my impression That's my impression That's my impression

The wind was chilly and the sky was dull I went for shelter to the temple Once inside I couldn't believe my eyes You'd been and gone, I know you lied

That's my impression That's my impression That's my impression That's my impression

Go to a club, you think I'll be there I don't go 'cause I'm not a member You said you went to apologise It's plain to me that's one more lie

That's my impression That's my impression That's my impression That's my impression

I went looking for someone I couldn't find staring at faces by the Serpentine Walking slowly, I realised you'd been and gone, I know you lied

That's my impression That's my impression That's my impression That's my impression

It's an expression and a suggestion I learned my lesson That's my impression
