

# Pet Shop Boys, West End Girls 1984 Version

(West End girls)

Sometimes you're better off dead  
There's gun in your hand and it's pointing at your head  
You think you're mad, too unstable  
Kicking in chairs and knocking down tables  
In a restaurant in a West End town  
Call the police, there's a madman around  
Running down underground to a dive bar  
In a West End town

In a West End town, a dead end world  
The East End boys and West End girls  
In a West End town, a dead end world  
The East End boys and West End girls  
West End girls

Too many shadows, whispering voices  
Faces on posters, too many choices  
If, when, why, what?  
How much have you got?  
Have you got it, do you get it, if so, how often?  
And which do you choose, a hard or soft option?

In a West End town, a dead end world (In a West End town, a dead end world)  
The East End boys and West End girls  
In a West End town, a dead end world  
The East End boys and West End girls  
West End girls  
West End girls  
In a West End town, a dead end world  
The East End boys and West End girls  
Oooh West End town, a dead end world  
East End boys, West End Girls  
West End girls

You can find a place that no one knows  
Where money talks, and streets are gold  
Someone stands in every door  
And if they speak, they break the law  
(Who was that mouth?)  
(Who was that mouth?)  
Ask a question - blank faces  
Read the news and turn the pages  
Watch them play a different game  
And no one knows your name

(We...)

(West)

No one knows your name

(Uh Uh Uh)

(West End girls)(West End girls)

(West End girls)(West End girls)

You've got a heart of glass or a heart of stone

Just you wait 'til I get you home

We've got no future, we've got no past

Here today, built to last

In every city, in every nation

&From Lake Geneva to the Finland station

In a West End town, a dead end world (In a West End town, a dead end world)
