Pete Doherty, A Little Death Around The Eyes

A little death around the eyes Your boyfriend's name was Dave I was bold and brave And now you're mine You cook and clean and sew When I tell you to, when I ask you to, If I ask you to, But I don't want you to .. You don't need tellin' twice with me, You don't need tellin' twice ?? To break free, Ya well, you'll never have break free from me Your boyfriend's name was Dave I was bold and brave And now you're mine You cook and clean and sew When I tell you to Dance and screw when I want you to In a hotel room you take your medicine On all fours, that's your medicine Feeling better now? Feeling any better now? A little death around the eyes...
