

# Pete Murray, Chance To Say Goodbye

You taught me life  
You taught me peace  
You brought me down with no disgrace  
You showed me love  
Was what I need  
Now in a different place  
On a different speed

I miss our time  
I miss your way  
I miss everything we say  
I'd give it all for that time and place  
Just to say goodbye to your face

You made me once  
You made me twice  
If I could have saved you  
I'd have paid any price  
You led me through such a killer race  
You helped me fly with all your grace

I miss your time  
I miss your way  
I miss everything we saved  
I'd give it all for that time and place  
Just to say goodbye to your face

Is there anyway (x2)  
I could talk to you for one more day

Is there anyway (x2)  
I could say goodbye for one more day

I miss our time  
I miss your way  
I miss everything we've saved  
I'd give it all for that time and place  
Just to say goodbye to your face
