

# Pete Murray, Opportunity

And so it goes another lonely day  
Your savin time but your miles away  
Your fly was drownin in some bitter tea  
For seeing lost opportunity

Find your mirror go and look inside  
And see the talent you always hide  
Don't go kidd yourself well not today  
Satisfaction's not to far away

Hold on now your exits here  
It's waiting just for you  
Don't pause too long  
It's fading now  
It's ending all too soon you'll see

Soon you'll see

Your coffee's warm but your milk is sour  
Life is short but your here to flower  
Dream yourself along another day  
Never miss opportunity

Don't be scared of what you cannot see  
Your only fear is possibility  
Never wonder what the hell went wrong  
Your second chance may never come along

Hold on now your exits here  
It's waiting just for you  
Don't pause too long  
It's fading now  
It's ending all too soon you'll see

Soon you'll see

Hold on now your exits here  
It's waiting just for you  
Don't pause too long  
It's fading now  
It's ending all too soon you'll see

Soon you'll see [x5]
