

# Pete Townshend, Anyway Anyhow Anywhere

I can go anyway Way I choose  
I can live anyhow Win or lose  
I can go anywhere For something new  
Anyway, anyhow, anywhere I choose

I can do anything Right or wrong  
I can talk anyhow And get along  
I don't care anyway I'll never lose  
Anyway, anyhow, anywhere I choose

Nothin' gets in my way  
Not even locked doors  
Don't follow the lines that been layed before  
I get along anyway I dare  
Anyway, anyhow, anywhere

(harp solo)

I can go anywhere I choose  
I can go anywhere I choose  
This is what we used to believe

We thought we'd live forever  
I can go anywhere  
I can do anything  
I live anyhow

(guitar solo)

I can go anywhere Way I choose  
I can live anyhow Win or lose  
I can do anything Right on you  
Anyway, anyhow, anywhere I choose

I can do anything right or wrong  
I can talk anyhow and get along  
I don't care anyway you know I never lose  
Anyway, anyhow, anywhere I choose

Anyway I choose  
You know I never lose  
Anyway I choose
