

Pete Townshend, Can You Really Dance?

Walk into the real world
Step into the steal world
Step into the real world

Walk into the real world
Step into the steal world

Can you really dance
Really take a chance
Can you really, can you really, can you really dance
Can you really, can you really dance
Real world
Step into the real world

Walk into the real world
Step into the steal world
Can you really dance
Really take a chance
Can you really dance
Stand into the real world

Walk into the real world
Step into the steal world
