

Pete Townshend, Let My Love Open The Door

When people keep repeating that you'll never fall in love
When everybody keeps retreating, but you can't seem to get enough
Let my love open the door, let my love open the door
Let my love open the door to your heart

Let my love open the door, ooh
Let my love open the door
Let my love open the door, ooh
Let my love open the door

When everything feels all over, everybody seems unkind
I'll give you a four-leaf clover, take all worry out of your mind
Let my love open the door
Let my love open the door
Let my love open the door to your heart

Let my love open the door, ooh, to your heart
Let my love open the door, ooh
Let my love open the door, ooh
Let my love open the door, ooh

The only key to your heart
That can stop you from falling apart
Try today, your finest way
Come on and give me a chance to say
Let my love open the door, it's all I'm living for
Release yourself from misery
There's only one thing going to set you free
That's my love, that's my love

Let my love open the door (to your heart)
Let my love open the door (to your heart)
Let my love open the door (to your heart)
Let my love open the door

When tragedy befalls you, don't let it drag you down
Love can cure your problems, you're so lucky I'm around

Let my love open the door
Let my love open the door
Let my love open the door to your heart
