

Pete Townshend, Won't Get Fooled Again/Let's See Action

We'll be fighting in the streets
With our children at our feet
And the morals that they worship will be gone
The men who spurred us on
Sit in judgment of all wrong
They decide and the shotgun sings the song

I'll tip my hat to the new constitution
Take a bow for the new revolution
Smile and grin at the change all around
Pick up my guitar and play
Just like yesterday
Then I'll get on my knees and pray
We don't get fooled again

The change it had to come
We knew it all along
We were liberated from the fold that's all
The world looks just the same
And history ain't blamed
'Cause the banners, they are flown in the last war

I raise my hat to the new constitution
Take a bow for the new revolution
Smile and grin at the change all around
Pick up my guitar and play
Just like yesterday
Then I'll get on my knees and pray
We don't get fooled again

No, no!
We don't get fooled again

I'll move myself and my family aside
If we happen to be left half alive
Get all my papers and smile at the sky
Though I know that the hypnotized never lie
Do ya?

There's nothing in the street
Looks any different to me
And the slogans are replaced, by-the-bye
The parting on the left
Is now parting on the right
And the beards have all grown longer overnight

I'll tip my hat to the new constitution
Take a bow for the new revolution
Smile and grin at the change all around
Pick up my guitar and play
Just like yesterday
Then I'll get on my knees and pray
We don't get fooled again
Don't wanna get fooled again
No, no!

Meet the new boss
Same as the old boss

====Let's See Action====
</lyrics>
Let's see action. Let's see people
Let's see freedom. Let's see who cares

Take me with you. When you leave me
And my shell behind us there

I have learned it. Known who burned me
Avatar has warmed my feet
Take me with you. Let me see you
Time and life can meet
Rumor has it. Minds are open
Then rumors fill them up with lies
Future passing. Nothing lasting
I try to scream, 'cause nothing dies)

Nothing is everything
Everything is nothing is
Please the people, audiences
Break the fences, nothing is

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Give me a drink boy wash my feet
I'm so tired of running from my own heat
Take this package and here's what you do
Gonna get this information through

I don't know where I'm going
I don't know what I need
But I'll get to where I'm gonna end up
And that's alright by me

I've been running from side to side
Now I know for sure that both sides lied
It's got so hard but we gotta keep trying
I can't stand to see my people crying

I don't know where I'm going
I don't know what I need
But I'll get to where I'm gonna end up
And that's alright by me

Let's see action. Let's see people
Let's see freedom. In the air
Let's see action. Let's see people
Let's be free. Let's see who cares

Nothing is everything
Everything is nothing
Nothing is everything
Everything is nothing
