

# Pete Yorn, How Do You Go On?

Came back from this big career  
And turned it all around  
Yeah, see them all over there?  
They did it just like you  
Oh, back to the beginning  
And start it all again?  
Never...  
How do you go on?  
Go on  
Now you go on... how'd you go on?  
You go 'round again  
Wake up for the city lights  
Baby don't know me  
Baby don't understand  
Wake up for the city  
How'd you go on?  
Go on  
Now you go on  
How'd you go, how do you go on?  
Don't wait for me  
There's no lies between us  
Don't leave with me the rest of our live  
How'd you go on?  
Go on  
Now you go on  
How do you go...  
How do you go... on?  
How do you go on?  
Go on  
How do you go... on?  
Go back to the beginning  
And start it all again... never
