

# Peter & Paul, Tell Do You Still Love Me

[Paul]

The last time when you came to me,  
don't said nothing.

We've been a silence and i wonder why?  
I felt cryin' a heart because you're not were earlier.

I missed to you though don't knew about it.

You didn't give your smile, am i guilty?

Tell do you still love me?

Do something changed?

Maybe it's all happened too fast, noo...

Waiting and waiting constantly.

Do you call to me?

I can't be found without you.

[Peter]

This a last evening when you leave, remember that i couldn't sleep.

Did think of common times spend together?

I missed for your company, feel that something changed...

But my heart whispers have to fight.

I fall don't knowing, do you want me yet?

Tell... do you still love me?

Do something changed?

Maybe it's all happened too fast, noo...

Waiting and waiting constantly.

Do you call to me?

I can't be found without you.

[Paul]

Tell do you still love me?

[Peter]

Do i have any chance?

[Paul]

Fix our affection!

[Peter]

Only tell one word...

[Paul]

Tell do you still love me?

Do something changed?

Maybe it's all happened too fast, noo...

Waiting and waiting constantly.

Do you call to me?

I can't be found without you.

[Peter]

Do you still love me?

(me, yeah)

Do something changed?

(do something changed)

Maybe it's all (oh) happened too (too fast) fast, noo

(oh i'm waitin', i'm waitin', waitin', waitin' )

Waiting and waiting constantly.

(to today)

Do you call to me?

I can't be found without you.

[Paul]

Ooh, ooh...

[Peter]

Do you call to me? Yeah!
