

# Peter And Gordon, A World Without Love

Please lock me away  
And don't allow the day  
Here inside where I hide  
With my loneliness

I don't care what they say I won't stay  
In a world without love

Birds sing out of tune  
And rain clouds hide the moon  
I'm OK, here I'll stay  
With my loneliness

I don't care what they say I won't stay  
In a world without love

So I wait and in a while  
I will see my true love's smile  
She may come, I know not when  
When she does I lose  
So baby until then

Lock me away  
And don't allow the day  
Here inside where I hide  
With my loneliness

I don't care what they say I won't stay  
In a world without love

So I wait and in a while  
I will see my true love's smile  
She may come, I know not when  
When she does I lose  
So baby until then

Lock me away  
And don't allow the day  
Here inside where I hide  
With my loneliness

I don't care what they say I won't stay  
In a world without love

I don't care what they say I won't stay  
In a world without love
