

# Peter And The Test Tube Babies, Let's Do Lunch

Buy, buy, buy, buy, sell, sell, sell, sell.  
Buy, sell, buy, buy, FTSE's gone up.  
Let's pop some corks, and fax New York.

Let's do lunch ..

Talk, talk, talk, talk, eat, eat, eat, eat.  
Snort, snort, snort, snort, two heart attacks.  
I'm in the red and nearly dead.

Your life, your life is shite.
