

Peter And The Test Tube Babies, Temptation

I'm walking on fire, I'm painting the whole sky blue.
Can't control my desire, can't keep my hands off of you.

There's one thing I can't resist .. temptation.

Jungle sensitivity, feeling like a child.
Take a trip to the root of my tree, send me running wild.

I'm climbing mountains, for those peaks of pleasure.
I'm spending fortunes, on a life of leisure.
