

Peter Andre, All I Ever Wanted

Your all I ever wanted baby mmm I wanna know I wanna know
Your all that I ever need, every thing
When im down I always call your when im down
Having you near keeps me sane its your smile keep
Every night I get down on my knees and pray
That youll always have me feelin this way
Your all I ever wanted
Baby your all you are my fantasy
Your all I ever need and more
Thats why I ad
When we talk I know that you are a friend
When we touch
There is no need to pretend
Its so unique,
Your all I ever wanted
Baby your all you are my fantasy
Your all I ever need and more
Thats why I a
If you leave me it would tear me apart
I trust youll always take good care of my heart
Though people
