

# Peter Andre, Mysterious Girl

Babygirl...I said tonight is your lucky night  
Peter Andre along wid Bubbler Ranx on de mic

I stop and stare at you  
walking on the shore...  
I try to concentrate  
my mind wants to explore...  
the tropical scent of you  
takes me up above...  
and girl when I look at you  
Oh I fall in love!

No doubt you look so fine  
girl I wanna make you mine  
I want to be with a woman just like you  
No doubt I'm the only man  
who can love you like I can  
so just let me be with the woman that I love

Babygirl... shinin looking glass

Oh, oh, oh, oh, oh, mysterious girl  
I wanna get close to you  
Oh, oh, oh, oh, oh, mysterious girl  
move your body close to mine

Girl you are mi heart desire  
and you alone a set mi soul pan fire  
mi tell them  
girl you a mi heart desire  
you alone.....watch dis

Watching the sun go down  
the tide is drifting in  
we can get closer now  
and feel the warmth within  
'cause I'm looking in your eyes  
feeling so alive  
and girl when you touch me  
it's time to take it through the night

Girl I wanna be with you  
I wanna spend the night with you  
I need to be with the woman that I love  
Girl I wanna do to you  
all the things you want me to  
i need to be with the woman that I love
