

# Peter Andre, Never Gonna Give You Up

(Never gonna give you up)

If you're asking me  
To tell you that  
I don't care about ya, I could be living without ya  
I'd have to go  
And let you down  
Coz girl you know that that just aint true

If you like it (if you like it)  
If you want it (If you want it)  
Stay a little longer girl it makes me wanna  
If you need it (if you need it)  
Let me know that you feel it (if you feel it)  
Coz tonight is gonna be all about you

Chorus  
Coz I'm never gonna give you up  
Letting you down is something I can never do, no  
Coz I'm never gonna give you up  
Letting you know that it's all about me and you, now

I guess I'm asking you  
To stay a while  
You need to understand that, I wont take you for granted  
I cherish she  
And every time  
I look at you I'm electrified

Coz I like it (do you like it)  
The way that you move it (the way that I move it)  
Coz your love is just a reeling, I can't fight this feeling  
Baby don't stop it (baby don't stop it)  
Do what you're doing (just do what I'm doing)  
Coz there's nothing I wont do tonight

Chorus

Aint never gonna give you up, aint never gonna give you up  
Aint never gonna give you up, aint letting you down (x2)

Aint no doubt about it, gonna give you all that I got  
Aint gonna be able stop it, you know what I'm talking about

Chorus x2

Aint never gonna give you up, aint never gonna give you up  
Aint never gonna give you up, aint letting you down (to fade)
