

Peter Andre, Nobody Knows

Tell me what you want
Tell me what you need
Whatever we do nobody has to know
Ain't nobody got to know keep it on the low
Whatever we do we'll keep it on the low

She's waiting for her man at dinnertime
Tryin' to make it special for their valentine
But he ain't comin' home she's waiting all alone
He's out with his friends
The lonely woman walks into the store
It's obvious attention she's lookin' for
As I walk by she looks in my eyes
And she turns to me and she says

My body needs your lovin'
And it's tryin' to tell you somethin'
Whatever we do nobody has to know
My body needs a good lovin'
And it's tryin' to tell you somethin'
Whatever we do we'll keep it on the low

No ultimatum for me to refuse
Should I take a woman who has everything to lose
Can't explain the desire that comes over me
It's a sin that can't be denied
I'll give the lovin' you deserve tonight
I'll keep you satisfied cos' you don't wanna be alone
Nobodys at home, I'll make you feel alright

My body needs your lovin'
And it's tryin' to tell you somethin'
Whatever we do nobody has to know
My body needs a good lovin'
And it's tryin' to tell you somethin'
Whatever we do we'll keep it on the low

She's wanting some, no one has to know
Should I be sayin' no, keep it on the low
I can't resist, no one has to know
Never knew something quite like this
She wants more, no one has to know
I should be sayin' no, keep it on the low
But it takes two to play this game
Who's it going be, do you want me

My body needs your lovin'
And it's tryin' to tell you somethin'
Whatever we do nobody has to know
My body needs a good lovin'
And it's tryin' to tell you somethin'
Whatever we do we'll keep it on the low (rpt to fade)
