

Peter Andre, The Tracks Of My Tears

People say I'm the life of the party
Cos' I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue

So take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears

Since you left me
If you've seen me with another girl
Seeming like I'm having fun
Although she maybe cute
She's just a substitute because
You're my permanent one

So take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears

People say I'm the life of the party
Cos' I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue

Outside, I'm masquerading
Inside, my hope is fading
Just a clown, since you put me down
My smile is make - up
I wear since my break up with you

So baby, baby take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears

So take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears (rpt to fade)
