

Peter Baumann, Be Mine

The Romance is over
The game we played
We said our last goodbye
We ran out of luck
We ran out of love
And there's no reason to cry
Then I remember our time together
You were the dream of my life
I remember you

Chorus:

Be mine - tonight - tonight
Be mine just one more time
You think I'm crazy
I think you're blind
Who's the one to blame
The poison was sweet
Surrender with passion
The magic never sustained
Then I remember our time together
You were the queen of my nights
Chorus
