

# Peter Cetera, I'm Coming Home

Every time I wake up somewhere faraway  
Counting all the minutes back to yesterday  
I wonder what you're doing, do you feel this way  
Are you thinking of me too

Looking in the mirror all I wanna see  
Is your pretty face smiling back at me  
There's nowhere in the world that I would rather be  
Than to be back home with you

(Chorus)

I'm on my way, I promise you that I won't be long  
I just called, called you to say  
I've missed every little moment without you  
And I can't wait for us to be alone  
I'm almost in your arms, I'm coming home  
I'm coming home

At night when I'm alone I really miss your touch  
I hold on to your picture and it means so much  
To know that there is someone out there just for me  
And do you feel the same way too

Everywhere I go I wish that you were there  
Everything I do I wish that we could share  
Everywhere I go- makes me miss you so

(chorus)

I can touch you anytime I close my eyes  
Baby, you can feel it, if you just believe  
I'm coming home

(Chorus)
