

# Peter Cetera, Wanna Be There

I wanna be there  
When you turn out the lights  
I wanna be there

But I'm here on this lonely highway  
In the middle of nowhere

I wanna hold you  
If you wake up in the night  
I wanna hold you

I wanna be there in the morning  
I wanna touch you  
'Cause you know tonight  
There's nowhere else that I would rather be  
I'm not the same when you're not here with me  
Close your eyes and say a little prayer  
And baby I'm gonna be there

I wanna be there  
I wanna be there  
Wanna be there in the morning  
Oh, I wanna be there
