

Peter Criss, Don't You Let Me Down

(when i'm on the ground)

Try to keep my chin up, feel i'm fallin' farther down

Ooh, you know i'm feelin' sorry

But i know that won't do

Ooh, looks like there's no tomorrow

There's no tomorrow without you

Baby (baby) don't you let me down (don't you let me down)

Don't you leave me lonely (don't you leave me lonely)

Or run around

I said baby (baby) when i'm on the ground, yeah

(when i'm on the ground)

Try to keep my chin up, feel i'm fallin' farther down

Ooh, remember when you smile so bright

Raise my heart up to my throat

Ooh, sure took hard times to drag me down

So darlin' brighten up all of my hopes

Baby (baby) when i'm on the ground, yeah

(when i'm on the ground)

Try to keep my chin up, feel i'm fallin' farther down

Try to keep my chin up, feel i'm fallin' farther down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin' down, down, down

Fallin'
