

# Peter Criss, Don't You Let Me Down

(when i&#039;m on the ground)

Try to keep my chin up, feel i&#039;m fallin&#039; farther down

Ooh, you know i&#039;m feelin&#039; sorry

But i know that won&#039;t do

Ooh, looks like there&#039;s no tomorrow

There&#039;s no tomorrow without you

Baby (baby) don&#039;t you let me down (don&#039;t you let me down)

Don&#039;t you leave me lonely (don&#039;t you leave me lonely)

Or run around

I said baby (baby) when i&#039;m on the ground, yeah

(when i&#039;m on the ground)

Try to keep my chin up, feel i&#039;m fallin&#039; farther down

Ooh, remember when you smile so bright

Raise my heart up to my throat

Ooh, sure took hard times to drag me down

So darlin&#039; brighten up all of my hopes

Baby (baby) when i&#039;m on the ground, yeah

(when i&#039;m on the ground)

Try to keep my chin up, feel i&#039;m fallin&#039; farther down

Try to keep my chin up, feel i&#039;m fallin&#039; farther down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039; down, down, down

Fallin&#039;
