

Peter Criss, Easy Thing

Love, love is so hard
Love is so hard to find
When love, such an easy thing
Such an easy thing
Such an easy thing to lose, yeah
Words, words are so hard
Words are so hard to find
When love, such an easy thing
Such an easy thing
Such an easy thing to lose, yeah

When you find your love
Will you know it's real
When you lose it all
Will you really feel love

Love, love is so hard
Love is so hard to find
'Cause love's such an easy thing
Such an easy thing
Such an easy thing to lose, yeah

When you find your love
Will you know it's real
When you lose it all
Will you really feel love

Love, love is so hard
Love is so hard to find
'Cause love (love) such an easy thing (so easy)
Such an easy thing (love is so easy)
Such an easy thing to lose, yeah (love)

Love (love) such an easy thing (so easy)
Such an easy thing (love is so easy)
Such an easy thing to lose, yeah (love, love is so easy to lose)

Love (love) such an easy thing (so easy)
Such an easy thing (love is so easy)
Such an easy thing to lose, yeah (love)

Love (love) such an easy thing (so easy)
Such an easy thing (love is so easy)
Such an easy thing to lose, (love, love is so easy to lose)
