

Peter Frampton, Show Me The Way

I wonder how your feeling
There's ringing in my ears
And no one to relate to 'cept the sea
Who can I believe in
I'm kneeling on the floor
There has to be a force, who do I phone
The stars are out and shinning
But all I really want to know

Oh, won't you show me the way
I want you show me the way

When I can see no reason
You living on your nerves
When someone drops a cop and I submerge
I'm swimming in a circle
I feel I'm going down
There has to be a fool to play my part
Well someone thought of healing,
But all I really want to know

Oh, won't you show me the way (everyday)
I want you show me the way
I want you day after day

I wonder if I'm dreaming
I feel so unashamed
I can't believe this is happening to me
I watch you when you're sleeping
And then I want to take you love

Oh, won't you show me the way (everday)
I want you show me the way
I want you day after day

Oh won't you show me the way (everyday)
I want you show me the way
I want you night and day
I want you day after day
