Written by Peter Green.

They go away
But these pains here inside
Baby when the sun goes down

Without you

And baby when the sun goes down

One more day, just onemore dream
And baby when the sun goes down
Then they will see
On that hill and from that tree
Baby when the sun goes down
I shall be free
Without you
Baby when the sun goes down
Baby when the sun goes down
Without you
Baby when the sun goes down
Without you
Without you
Baby when the sun goes down
Baby when the ...
