

# Peter Frampton, Something's Happening

Live Version

Who said it's my year was it you there - Can't go wrong  
I see a new way you'll be in my play - Sing my song  
Where is the reason I keep teasing - If I knew  
To see the new year not being blue here - Evermore

You know it's alright somethin's happening  
Hold tight it might be lightning  
Turn up the lights somethin's moving  
Can't sleep at night my heart keeps missing a beat

Well, I know it's my year ain't got no fear - Hold me down  
Take it easy if not for me - Sing my song yeah  
Where is the reason I keep teasing - If I knew  
To see the new year not being blue here - Evermore

You know it's alright somethin's happening  
Hold tight it might be lightning  
Turn up the lights I feel like dancing  
Can't sleep at night my heart keeps missing a beat

Yeah, ooh baby, don't ever let it bring you down  
Ooh baby, that's not the way I want it to sound  
Ooh baby, don't ever let it bring you down  
Ooh baby, I'll pick you up on the ground

Alright somethin's happening  
Hold tight it might be lightning  
Turn up the lights I feel like dancing  
Can't sleep at night my heart keeps missing a beat

Yeah, ooh baby, don't ever let it bring you down  
Ooh baby, That's not the way I want it to sound  
Ooh baby, don't ever let it bring you down  
Ooh baby, I'll pick you up
