

Peter Frampton, You Can Be Sure

You don't have to be a dreamer
To see a better day
You have to be a believer
Just to find a better way
Don't sit in your seclusion
Safely watching from afar

I, don't know why (ooh)
We don't learn from what's gone by
You can be sure
I'll be with you till the end
You take my word
More than this I can promise you (yeah, yeah)

You know, when you feel defenceless
And it brings you to your knees
Don't keep on retreating
What can I do to make you see?

I, don't know why
We don't learn from what's gone by
You can be sure
I'll be with you till the end
You take my word
More than this I can promise you (yeah)

I, don't know why
We don't learn from what's gone by
You can be sure
I'll be with you till the end
You take my word
More than this I can promise you

You can be sure
I'll be with you till the end
Please take my word
Don't you know, you can count on me?
I will always be
there for you
