## Peter Gabriel, Down To Earth

Did you think that your feet had been bound By what gravity brings to the ground? Did you feel you were tricked By the future you picked? Well come on down

All these rules don't apply When you're high in the sky So come on down Come on down

We're coming down to the ground
There's no better place to go
We've got snow upon the mountains
We've got rivers down below
We're coming down to the ground
To hear the birds sing in the trees
And the land will be looked after
We'll send the seeds out in the breeze

Did you think you'd escaped from routine By changing the script and the scene? Despite all you made of it you're always afraid of the change

You've got a lot on your chest Well you can come as my guest So come on down Come on down

We're coming down to the ground
There's no better place to go
We've got snow upon the mountains
We've got rivers down below
We're coming down to the ground
We'll hear the birds sing in the trees
And the land will be looked after
We'll send the seeds out in the breeze

Like the fish in the ocean
We felt at home in the sea
We learned to live off the good land
We learned to climb up a tree
then we got up on two legs
But we wanted to fly
When we messed up our homeland
and set sail for the sky

We're coming down to the ground
There's no better place to go
We've got snow upon the mountains
We got rivers down below
We're coming down to the ground
We'll hear the birds sing in the trees
And the land will be looked after
We'll send the seeds out in the breeze

We're coming down Comin' down to earth Like babies at birth Comin' down to earth

Redefine your priorities
These are extraordinary qualities

We're coming down to the ground
There's no better place to go
We've got snow upon the mountains
We've got rivers down below
We're coming down to the ground
We'll hear the birds sing in the trees
And the land will be looked after
We'll send the seeds out in the breeze

We're coming down to the ground There's no better place to go We've got snow upon the mountains We've got rivers down below We're coming down to the ground We'll hear the birds sing in the trees And the land will be looked after We'll send the seeds out in the breeze
