

# Peter Gabriel, I Grieve

it was only one hour ago  
it was all so different then  
there's nothing yet has really sunk in  
looks like it always did  
this flesh and bone  
it's just the way that you would tied in  
now there's no-one home

i grieve for you  
you leave me  
'so hard to move on  
still loving what's gone  
they say life carries on  
carries on and on and on and on

the news that truly shocks is the empty empty page  
while the final rattle rocks its empty empty cage  
and i can't handle this

i grieve for you  
you leave me  
let it out and move on  
missing what's gone  
they say life carries on  
they say life carries on and on and on

life carries on  
in the people i meet  
in everyone that's out on the street  
in all the dogs and cats  
in the flies and rats  
in the rot and the rust  
in the ashes and the dust  
life carries on and on and on and on  
life carries on and on and on

it's just the car that we ride in  
a home we reside in  
the face that we hide in  
the way we are tied in  
and life carries on and on and on and on  
life carries on and on and on

did I dream this belief?  
or did i believe this dream?  
now i can find relief  
i grieve
