

Peter Gabriel, Me & My Teddy Bear

Me and my teddy bear
Oh me and my teddy bear
We got no hair, but we don't care
Me and my teddy bear
We love to play and play
'cause they take all the pain away
They take all the pain away
Like a bird of prey who got nothin' to say
"cause they take all the pain away

Yes they take all the pain from my head
Yes they take all the pain from my head
Two hands, two feet
I'm happy and sweet
They take all the pain from my head.

Oh me and my teddy bear
We got no hair, but we don't care
Me and my teddy bear
We love to play and play
