

Peter Gabriel, That'll Do

A kind and steady heart can make a grey sky blue,
And a task that seems impossible, is quite possible for you.
A kind and steady heart, is sure to see you through.
It may not seem like very much right now,
It'll do, it'll do.

When you find yourself in the middle of a storm,
And you're tired and cold and wet,
And you're looking for a place that's cozy and warm,
You'll make it; you can never forget!

A kind and steady heart, can conquer doubt and fear.

A little courage goes a long, long way,
Gets you a little bit farther down the road each day,
And before you know it, you'll hear someone say,
"That'll do, Babe, that'll do."

A kind and steady heart, is sure to see you through.

A little courage goes a long, long way,
Gets you a little bit farther down the road each day,
And before you know it, you'll hear someone say,
"That'll do, that'll do, that'll do, Babe, that'll do.
