

# Peter Gallagher, Then You Can Tell Me Goodbye

Kiss me each morning for a million years  
Hold me each evening by your side  
Tell me you love me for a million years  
Then if it don't work out, then if it don't work out  
Then you can tell me goodbye

Sweeten my coffee with a morning kiss  
Soften my dreams with your sigh  
After you've loved me for a million, a million years  
Then if it don't work out, then if it don't work out  
Then you can tell me, tell me goodbye

If you must go I won't grieve  
But just, just wait a lifetime before you leave  
Then if you must go I won't tell you no, oh no no, just so that we can say that we try  
Tell me you love me for a million, a million years  
Then if it don't work out, then if it don't work out  
Then you can tell me, tell me goodbye  
Then you can tell me, you can tell me goodbye
