

Peter Gallagher, When Something Is Wrong With

When something is wrong with my baby, something is wrong with me
If I know that she's worried, then I would feel the same misery
We've been through so much together, we've been as one, that's what makes it better
When something is wrong with my baby, something is wrong with me
And what she, what she means to me now, you, you wouldn't understand
Some people would say that she's no good, oh she's my woman and you know I'm her man
If she's got a problem, I'd know, you'd know I've gotta help her solve it
When something is wrong with my baby, something is wrong with me
When something is wrong with my baby, something is wrong with me
When something is wrong with my baby, something is wrong with me
