

# Peter Green, Born Under A Bad Sign

Born under a bad sign  
Ive been down since I began to crawl  
If it wasnt for bad luck  
I wouldnt have no luck at all

Born under a bad sign  
Ive been down since I began to crawl  
If it wasnt for bad luck  
I wouldnt have no luck at all  
Wine and women is all I crave  
Big fat woman.  
Who is going to carry me to my grave

Born under a bad sign  
Ive been down since I began to crawl  
If it wasnt for bad luck  
I wouldnt have no luck at all

Born under a bad sign  
Ive been down since I began to crawl  
If it wasnt for bad luck  
I wouldnt have no luck at all

Born under a bad sign ...
