

Peter Green, Born Under A Bad Sign

Born under a bad sign
Ive been down since I began to crawl
If it wasnt for bad luck
I wouldnt have no luck at all

Born under a bad sign
Ive been down since I began to crawl
If it wasnt for bad luck
I wouldnt have no luck at all
Wine and women is all I crave
Big fat woman.
Who is going to carry me to my grave

Born under a bad sign
Ive been down since I began to crawl
If it wasnt for bad luck
I wouldnt have no luck at all

Born under a bad sign
Ive been down since I began to crawl
If it wasnt for bad luck
I wouldnt have no luck at all

Born under a bad sign ...
