Peter Green, Rattlesnake Shake

Written by peter green.

Baby, if you got to rock
I got to be your rockin' horse
Baby, think you'd like to roll
Maybe your diggin' it more
They're shakin' the world
When it's time to crash
But when I get home tonight
I guess I got to shake myself

You need some love
You must have the blues
Ain't but the one thing
A good man can do

He do the shake
The rattlesnake shake
Man, do the shake
Yes, and jerk away the blues
Now, jerk it

Break:

Now, I know this guy
His name is mick
Now, he don't care when he ain't got no chick
He do the shake
The rattlesnake shake
Yes, he do the shake
And jerks away the blues
Now, jerk it
