

Peter Hammill, Faith

Each moment is precious
those that I spend with you are a prize
I count myself lucky just being alive
while you're in my eyes.

Seeing's believing and I believe in you
I can't conceal it, just what I feel for you.
Seeing's believing, I know that you'll see me through.
I believe in you
I have faith in you
I put my faith in you.

Doubt casts its shadow
on every perfect plan that is made
but I'll be beside you through those dark days
I'll be with you come what may.

Seeing's believing and I believe in you
I can't conceal it, just what I feel for you.
Seeing's believing, I know that you'll see me through.
I believe in you
I have faith in you
I put my faith in you.

Don't let me down,
now that I've fallen completely for you.
