

Peter Heppner, Suddenly

I don't give a fuck
What you say
I don't want to hear no lies
From you today
You wonder why you stand
All alone
Bu mayby you just reap
What you've sown

And suddenly
You find you're in so deep
The more you try in vain
To free yourself again
The deeper you will fall won't you?

A thousand time I've lent
A helping hand
I'm not asling for a thanks
Don't misunderstand
But you're hiding from the truth
If you think that you don't need a friend aren't you?
A long descending road, I've been told
Lies out there in the cold
For those alone

And suddenly

All the things that you have done one by one
Are just coming back to you so they do

And suddenly
